SEMINAR PRESENTATION ON A PERSONAL ISSUE

Student Name: Reviewer Name: Seminar theme:	Yes	No	Comments
DID STUDENT MEET THE FOLLOWING PERFORMANCE CRITERIA?			
1. Explore a personal issue			
2. Prepare the main points in material that discuss a theological matter for a specified audience.			
3. Include relevant sources, reflections and opinions in presentation. - Use relevant Bible verse - Provides a variety of points of views and ways to interpret this theme or question - Present statements from other people with respect			
4. Present personal knowledge and faith opinion about the theme or question by discussing it in light of current experiences or personal implications			
5. Identify implications of theological beliefs. What is the implication if we think one way or another?			
6. Present an example of the implications of theological beliefs			
7. Identify relevant questions / points for discussion and debate from Christian sources			
8. Use theological terms appropriately			
9. Summarise theological issues in ordinary, everyday language			
10. Communicate theological information in a manner suitable to the audience and situation			
11. Select and apply a process of communication suitable for the audience - Use suitable presentations aids (PowerPoint, whiteboard, computer, handouts, Bible)			
12. Present the material on a theological theme or issue in a clear and effective manner - There is a logical flow and is easy to understand - Engages the audience with clear communication (eye contact, tone of voice, enthusiasm) - Use of strategies to interact with the audience (film clips, pose questions, invite responses, ask people to read, seek feedback) - Summarise the presentation with a conclusion/ call to action
